a. Not more than seven (7) remanufactured aircraft, including Integrated Logistic Support (ILS) and spares associated with these remanufactured aircraft, scheduled for delivery to Spain by 30 June 2004.

b. 1.2. In SECTION II: SCOPE OF WORK, add the following new paragraph 4 after paragraph 3:

"4. In the event that the anticipated new memorandum of understanding involving the Participants for cooperative post-production support of Harrier aircraft enters into effect prior to 30 June 2004, efforts thereafter undertaken by the Participants under this MOU shall be limited solely to those necessary to accomplish the provision of, and contract close-out procedures for, the items described in subparagraphs a and b of paragraph 3 above."
